PRELIMINARY AMENDMENT

Assistant Commissioner for Patents,
Washington, D.C.

Sir:

Prior to examination of the above-referenced U.S. patent application please
amend the application as follows:

IN THE CLAIMS:

Please cancel claims 1-36 and insert the following new claims:

--37. A learning system for learning learning contents, comprising means (21) which
cause a visual presentation such as a computer game, a television film or a video game (3, 20) to
run on a display screen,

means (25) which call up learning contents to be learnt, which in respect of content are
independent of the content of the visual presentation, from a learning material memory (26), and

means (23) which introduce the learning contents at changing locations in the region of the
visual presentation on the display screen (3, 20), wherein the introduction period is below the
conscious perception threshold.
